Patent Number 6,265,373

REISSUE DECLARATION

We, the undersigned hereby declare that:

We are the inventors named in the application which issued as the above-identified original patent. Our residences and our post office addresses, and our citizenship is given below by each of our names respectively.

Applicants believe the original patent to be partly inoperative or invalid by reason of error in the specification and claims of the original patent. The error relied upon is that the weight ratio of triglyceride/diglyceride/monoglyceride in the original patent is incorrectly indicated as being 46 to 90/9 to 35/1 to 15. However, the correct weight ratio in the original patent should read monoglyceride/diglyceride/triglyceride being 46 to 90/9 to 35/1 to 15.

All errors which are being corrected in the present reissue application up to the time of filing of this declaration arose without any deceptive intention on the part of the applicant.

Our residences, and post office addresses are as stated below next to each of our names.

We believe we are the original, first and joint inventors of the subject matter which is described and claimed in the above-identified patent and for which this reissue application is made.

We hereby state that we have reviewed and understand the contents of the attached reissue application including the specification, and the claims.

We acknowledge the duty to disclose information which is material to the patentability of this application as defined by 37 CFR § 1.56.

We hereby appoint Gary M. Nath, Reg. No. 26,965; Harold L. Novick, Reg. No. 26,011; Todd L. Juneau, Reg. No. 40,669; Lee C. Heiman, Reg. No. 41,827; Jerald L. Meyer, Reg. No. 41,194; and Joshua B.
